

# How to Generate Market & Site Reports

**Step 1** – Login and select the Supply icon at the top.

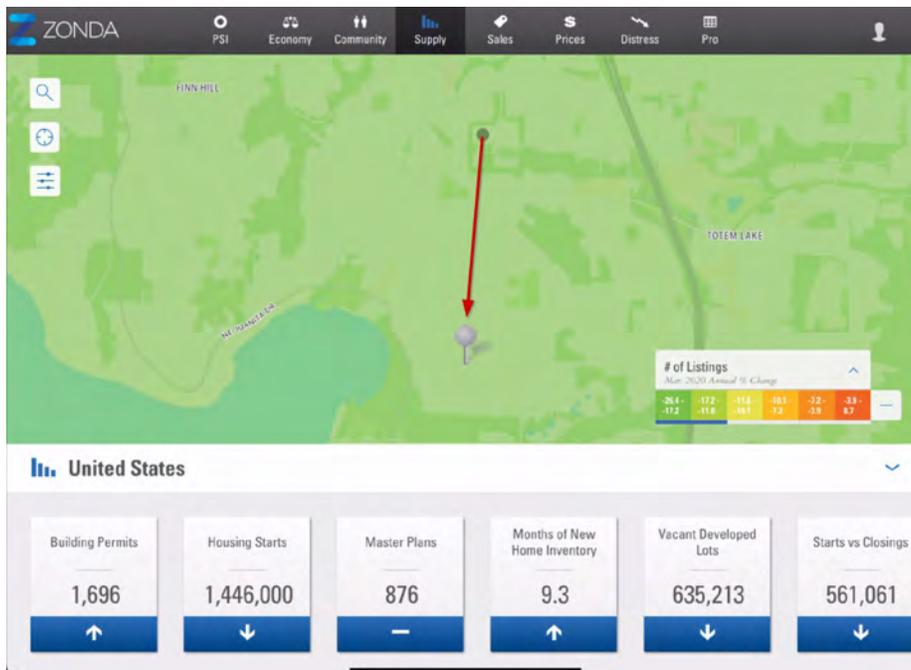

**Step 2** – Click the search icon on the left and type in the site address.

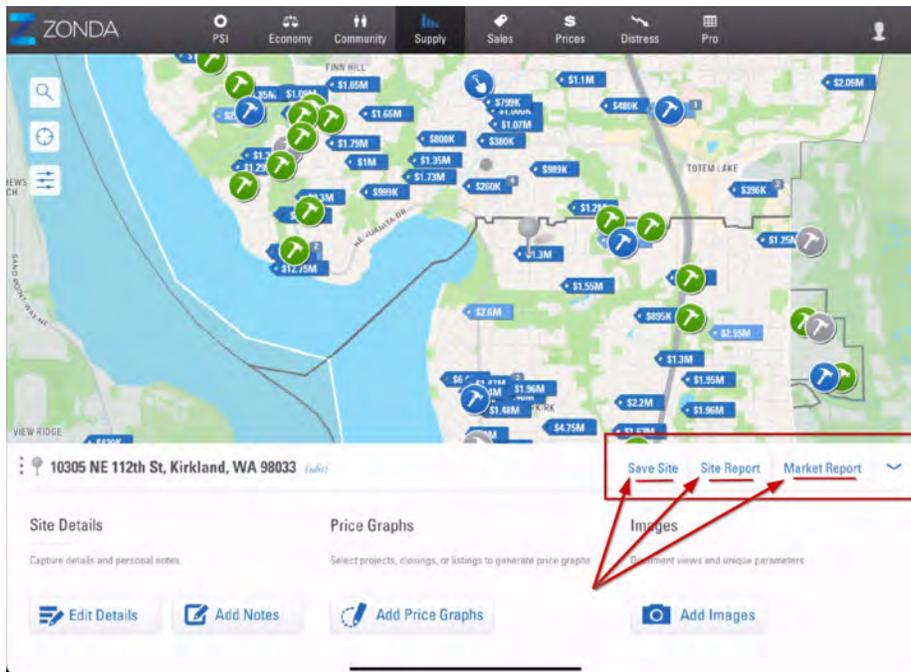

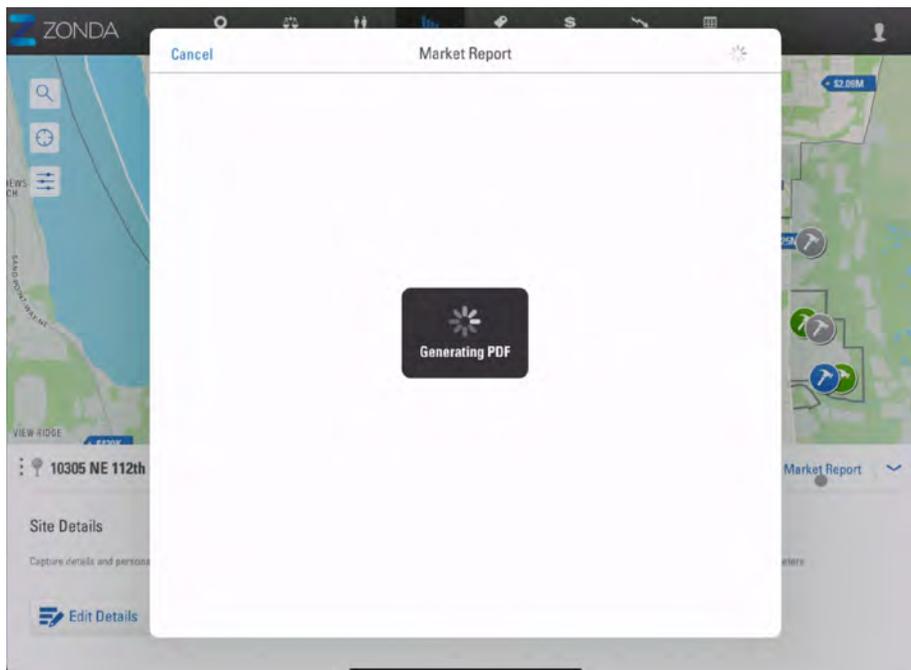

Zonda will drop a pin at the site location.

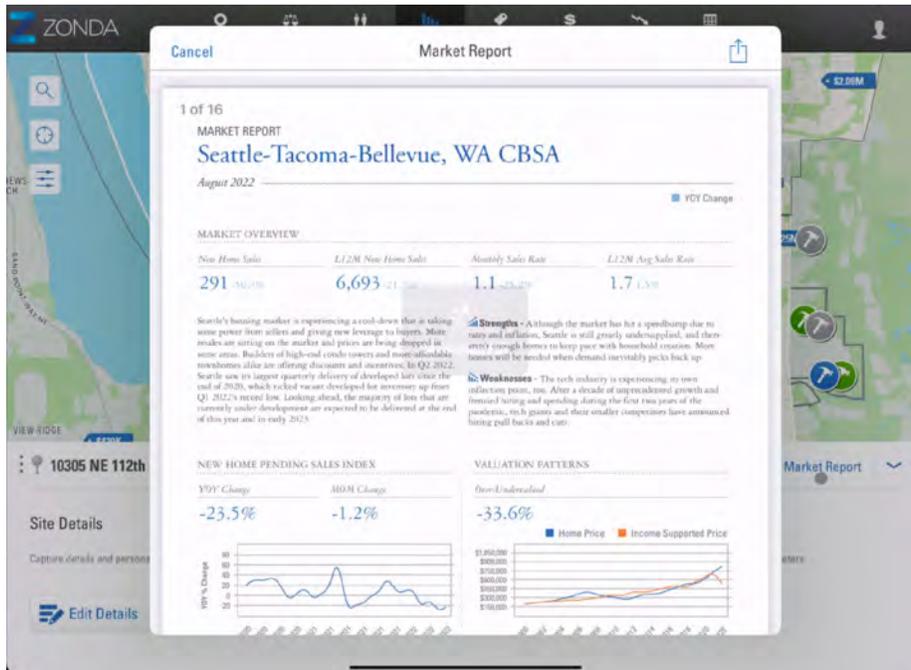

**Step 3** - Click the Market Report or Site Report link.

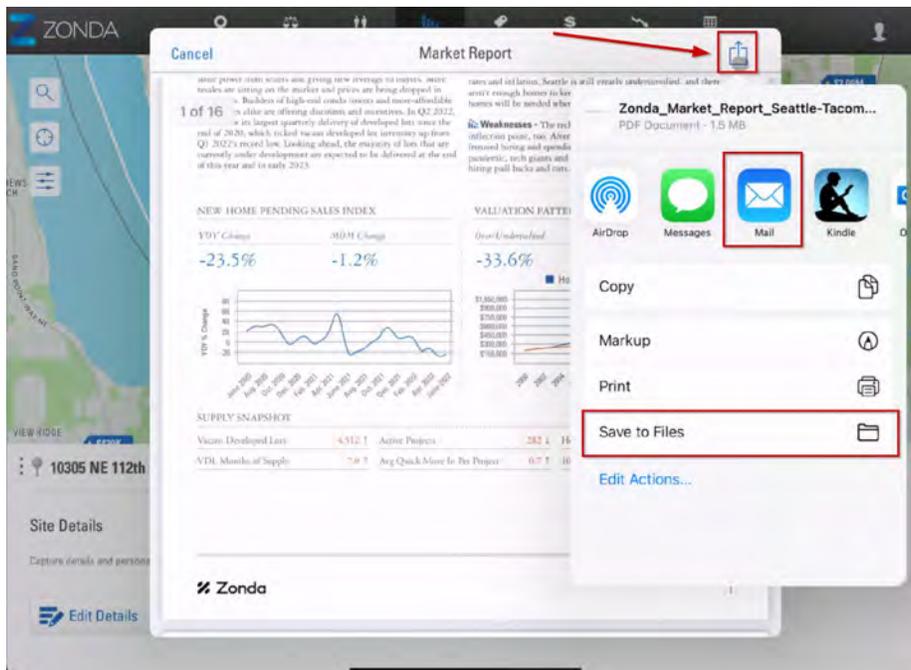

Zonda will generate the report within 10-15 seconds.

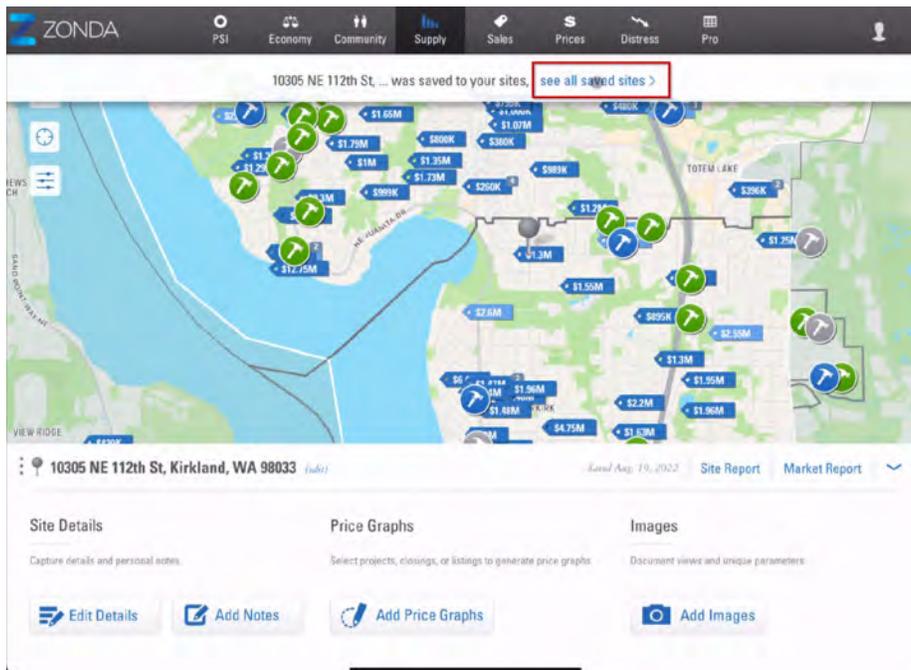

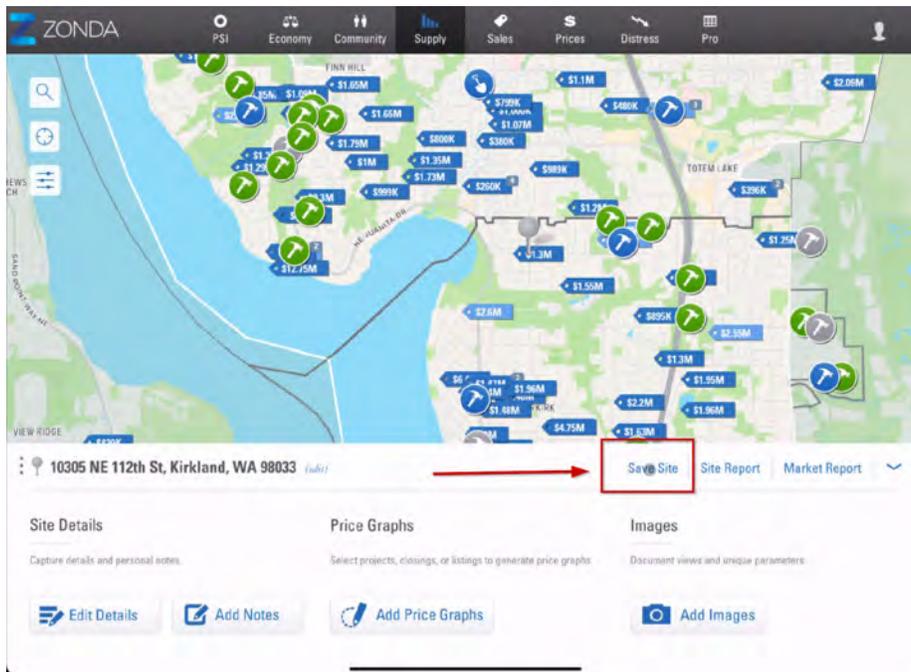

**Step 5** – Email or save the report PDF, then email it to your client.

**Step 6** – If it's a monthly report for your client, save the site.

**Step 7** – Generate a new report and email to your clients once a month.
